Activity is to commemorate Operation Veritable, the successor of Operation Market Garden. Operation Veritable is not known very well to most people. It was the battle which formed the prelude to the leap across the Rhine after which the eventual defeat of Germany soon followed. They would like us to commemorate and celebrate 70 years of freedom in the Gennep-Nijmegen region. During the 3 days, they will activate the callsign PA70OV and try to work as many amateur radio operators across the world. Whether you are an amateur radio operator hoping to contact a new country or a casual visitor, they welcome you to visit their website at: http://www.pa2p.nl/pa70ov [OPDX Bulletin]
